

A group of 10 pupils represented Queen's Croft at the WMSSSA Cricket tournament, taking on 5 other schools. Our team performed excellently, particularly in the field and with the bat, as they won all four of their games comfortably. Needing a win in their final game our pupils secured it easily, in part, thanks to NS's 4 wicket maiden over and LB's 3 sixes and excellent juggling catch on the boundary! Well done to the team!

Key Stage 4 were extremely lucky to be given the opportunity to attend Wimbledon Quarter Finals Day. They were able to watch international tennis and also sit and relax on Murray Mount/ Henman Hill for the thrilling final few games.

Our annual Race for Life year. Pupils took part in an our athletics track. All pupils Cancer Research. To date and money is still coming in on a daily basis. A big

who organised a fete after the event to help raise even more for the charity.

event was a huge success again this hour's sponsored walk or run around gave their all to help raise money for we have collected more than £1400 thankyou to Post 16 pupils and staff
