

Year 10 Residential Edale - Day 3 17th May 2017

(The following update was received this morning 18th May at 7.30am. Staff are having difficulty getting the messages through due to the poor mobile signal in Edale but all is well and the Children are having lots of fun.)

The adventure continues. After an action packed day yesterday everyone slept very well and long! We woke to be greeted by a massive breakfast so the only thing was to burn it off. Blue groups smashed the crate climb and burrowed though in weaselling.

Whilst orange group managed to stay mostly dry in canoeing. The competitive edge came out when they played full contact canoeing water polo with Miss Deakin taking no prisoners.

This was followed by a huge hill walk aptly named sheep poo walk.

The blue group captained by Mrs Ridgeway smashed orienteering resulting in Mrs Ridgeway and Mr Sweeney becoming the Peak District orienteering champions. Oh also the blue group abseiled down an aqueduct!!

After all this an early night was had by all. To be continued....
