Parking Update

St John's have applied for planning permission for a 64 place car park. This is a reapplication of an expired permission. We are not sure what the implications will be for Queen's Croft, but we will keep you informed of any further developments.

We have received complaints regarding parents parking on the grass verges on Birmingham Road to drop off and collect their children. Please kindly refrain from doing this in future.

48 Hour Rule

Any child with diarrhoea and/or vomiting symptoms must not return to school until **48 hours** after their last bout of illness (e.g. if your child was sick on Monday afternoon, they should not return to school until Thursday morning).

Post 16 Design & Technology

These are cotton reel dollies made by pupils in Post 16. Full of character and imagination. Well done folks!

E-Safety

Please make use of the e-safety resources which are available on the school website. You will find lots of advice about keeping your children safe on the internet. Please be vigilant.

Staffordshire Young Role Model

Year 9 are proud to boast that we have a celebrity in our year. Jacob has been invited to be the Staffordshire Young Role Model, and will soon be presenting to a large party.

As part of the package he has been offered, Year 9 enjoyed a talk from Jenna Downing, the World Champion Inline Skater, which was enjoyed by all and was inspiring for both pupils and staff. Jenna is a mentor across the country and has overcome battles with discrimination as well as multiple sclerosis. We are very proud of Jacob for giving his classmates this opportunity.
