

Queen's Croft High School

WHOLE SCHOOL PAY POLICY

Prepared by: Jackie Hesslegrave, Business Manager
Checked by: Peter Hawksworth, Headteacher
Adopted by Governors: November 2018
Review Date: November 2019

1. Introduction

This Policy sets out the framework for making decisions on pay for teachers' and support staff including the procedures for determining appeals. It has been developed to comply with current legislation and the requirements of the school teachers Pay and Conditions Document (STPCD) 2018 and the locally agreed 'Framework for Support Staff Profiles'. The Pay Policy has been consulted on with the teacher and support staff trade unions.

In adopting this pay policy the decisions on pay will be managed in a fair, just and transparent way. This policy aims to support the School Improvement Plan by recognising that the school's staff are its most important resource and by providing a system which will enable Governors to recruit, retain and motivate staff of the best quality.

Pay decisions at this school are made by the Pay Committee.

When taking pay decisions, schools must have regard both to their pay policy and to the individual's particular post within the staffing structure. The staffing structure/establishment of the school should be available and a copy should be attached to the pay policy.

All teachers employed at this school will be paid in accordance with the statutory provisions of the current STPCD. A copy of the latest version may be found in the school office and is also on-line at the DfE website.

All support staff employed at this school will be paid in accordance with the scheme of conditions of service agreed by the National Joint Council for Local Government Services (referred to as the "Green Book" in this policy), unless specifically advised by Staffordshire County Council to apply alternative conditions.

The head teacher and governing body will consult staff and unions on this policy and review it each year, or when other changes occur to:

- a) The School Teachers' Pay and Conditions Document, to ensure that it reflects the latest legal position. The pay policy will comply with the current School Teachers' Pay and Conditions Document and the accompanying statutory guidance. It will be used in conjunction with them, but, in the event of any inadvertent contradictions, the Document and guidance will take precedence.
- b) The scheme of conditions of service agreed by the National Joint Council for Local Government Services (referred to as the "Green Book" in this policy), as adopted and applied by Staffordshire County Council through local agreement.

2. Support Staff

The Governing Body has adopted the County Council's Framework of Support Staff Profiles to ensure that the requirements of the Single Status Agreement 1997 are met. The Governing Body has the power to determine the job description and person specifications within the Framework that match the duties and responsibilities covered by positions within the support staffing structure for the school.

The pay and grading of support staff, attached to the Framework, is the single status pay and grading structure agreed by the County Council from 1 April 2008. In adopting the Single Status Pay and Grading Structure and Framework the Governing Body is assured that:

- (a) all decisions will be based on an objective approach to pay and grading according to criteria laid down in the relevant national agreements;
- (b) decisions will be applied as consistently as possible across the staff groups concerned as well as within those staff groups;
- (c) any differences in pay between two employees within the same staff group will be justified in terms of a genuine and material difference in their circumstances and duties and responsibilities undertaken;
- (d) all decisions will have regard to equality of opportunity, and in particular, relevant employment legislation;
- (e) posts carrying similar levels of responsibility will be rewarded equally and all staff will be treated equitably.

Governors will determine the staffing structure for the school. This will set out the agreed posts, duties and responsibilities and reporting lines. Both the STPCD and Green Book require that salaries and salary ranges attached to each post be based on the duties and responsibilities attached to it in the staffing structure.

3. Pay Reviews

The Governing Body will ensure that every teacher's salary is reviewed annually, with effect from 1 September and by no later than 31 October each year and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled.

Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.

Decisions on the pay of the head teacher will be communicated by the chair of the governing body, in writing, in accordance with the STPCD timing of salary determination and notification.

Where a pay determination leads or may lead to the start or cessation of a period of safeguarding, the governing body will give the required notification as soon as possible and no later than one month after the date of the determination.

4. The Pay Committee

The role and responsibilities of the Pay Committee are outlined at Appendix 1. Pay decisions are made by the governing body which has delegated pay responsibilities to the Pay Committee. The Pay Committee shall establish and review the pay policy, subject to the approval of the governing body and have the authority to take pay decisions on behalf of the governing body in line with the policy.

5. Appeals

All employees are entitled to seek a review of any determination in relation to their pay and therefore the appeals process contained in this document will be adopted in all cases where an employee wishes to make an appeal (Appendix 3) against a pay decision.

6. Head Teachers

The modified unit total for the school is 8694 and governors have assigned the school head teacher group 6.

The total sum of additional payments made to a Head teacher in any school year must not exceed 25% of the amount of the head teachers point on the leadership group spine other than in wholly exceptional circumstances where the payments have been approved by the full Governing Body after receiving external independent advice.

This does not apply to additional payments made:

- in accordance with any payments for residential duties as a requirement of the post or;
- in respect of relocation expenses which relate solely to the personal circumstances of that head teacher.

For further information refer to part 2 of the STPCD

A new process to determine the pay and allowances of head teachers and the leadership team was introduced in September 2014. This is only applicable to:

- New posts from September 2014
- For those in post where there are significant changes to responsibility

7. Deputy and Assistant Head Teachers

Governors have assigned the following salary ranges for other members of the leadership group.

(a) Deputy Head Teacher 1 Points 19 - 23

(b) Assistant Head Teacher 1 Points 12 -16

8. Leadership Group Progression Criteria

Members of the leadership group must demonstrate sustained high quality performance, with particular regard to leadership, management and pupil progress at the school and will be subject to a review of performance against performance objectives before any performance points will be awarded.

The governing body will consider movement by more than one point in line with the provisions of the STPCD.

The salary of members of the leadership group will be reviewed annually taking account of the performance objectives set under the school's appraisal system and the progression arrangement set out in the STPCD.

9. Recruiting Teaching Staff

All posts will be advertised. Advertisements for vacant posts in the school will be considered by the head teacher and relevant Committee where appropriate.

The advertisement will include the relevant pay range for the post determined by the governing body as appropriate for the post and as contained in the relevant section of this pay policy. The advertisement must reflect the expected level of skills and experience for appropriate candidates relevant to the post. The advertisement will also include details of any additional payments or allowances applicable to the post.

Where the post is on a temporary or fixed term basis, the advertisement will specify the reason for and duration of the post.

10. Basic Pay Determination on Appointment of a classroom teacher

On appointment the governing body will determine the starting salary within that range to be offered to the successful candidate.

In making such determinations, the Governing Body will take into account a range of factors including;

- the nature of the post
- the nature of the qualifications, skills and number of years' experience required
- the wider school context
- current salary

There is no assumption in the STPCD that a teacher will be paid at the same rate as they were being paid in a previous school.

It is the responsibility of Governors to decide on this issue.

11. Pay Progression based on Performance for Main Pay Range Teachers

In this school all teachers can expect to receive regular constructive feedback on their performance and are subject to an annual appraisal that recognises their strengths, informs plans for their future development and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the schools Appraisal Policy.

Progression through the pay range will be based on the teacher demonstrating, through their appraisal, that they meet the teacher standards and Professional Skills Level Descriptors for the new pay point.

In the case of NQTs, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.

Where a teacher's performance has been of a sustained high quality, exceeding school expectations at that level, the governing body may award accelerated progression within the range. Progression will be subject to agreed criteria being met.

For teachers on the upper pay range, pay progression will be based on STPCD.

For unqualified teachers on the unqualified teachers' pay range, pay progression will be awarded following each successful appraisal review.

12. Leading Practitioner Roles

This school has decided not to establish posts of Leading Practitioner.

Such posts may be established for teachers whose primary purpose is the modelling and leading improvement of teaching skills, where those duties fall outside the criteria for the TLR payment structure.

When determining the pay scales for such posts, the governing body will do this by reference to the weight of the responsibilities of the post and consider pay equality with other posts and fair pay relativities between posts of differing levels of responsibility.

13. Determining Pay for Leading Practitioners

The overall pay range for leading practitioners is:

Pay range for Leading Practitioners	
Range	Salary
Minimum	£40,162
Maximum	£61,055

14. Working Time

A qualified teacher employed full-time must be available for work for 195 days, of which:

- (a) 190 days must be days on which the teacher may be required to teach pupils and perform professional duties; and
- (b) 5 days must be days on which the teacher may only be required to perform other duties

15. Upper pay range and assessment

Any qualified teacher may apply to be paid on the upper pay range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the upper pay range.

The Governing Body has established the following pay structure for classroom teacher posts paid on the upper pay range.

Teachers Upper Pay Range	
Range	Salary
Minimum UP1*	£36,646
UP2	£38,004
Maximum UP3*	£39,406

***Determined by 2018 STPCD**

16. Application Process

Applications may be made once a year. A teacher wishing to apply for assessment against the threshold standards should submit an application to the head teacher by no later than 31 October. A template application form is at Appendix 2 and should be submitted with their appraisal review.

If a teacher is simultaneously employed at another school they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or other schools. The schools will not be bound by any pay decision made by another school.

17. Evidence to be included in the application

All applications should be made using the application form, including any recommendation on pay (or where that information is not available a summary or statement of evidence designed to demonstrate that the teacher has met the assessment criteria)

All pay related decisions will be taken in accordance with relevant equalities legislation, Employment Relations Acts and Part-time Workers and Fixed-term Employees Regulations. Appropriate consideration will be given where staff have been absent for long periods e.g. due to sickness or maternity leave.

18. The Assessment

An application from a qualified teacher will be successful where the Governing Body is satisfied that:

1. the teacher is **highly competent** in all elements of the relevant standards

and;

2. the teacher's achievements and contribution to the school are **substantial and sustained**. (STPCD 15.2)

For the purposes of this policy the Governing body will be satisfied that the teacher has met the expectations for progression to the Upper Pay Range where the above assessment criteria have been evidenced.

The assessment will be made within 10 working days of the receipt of the application or the conclusion of the appraisal process whichever is later.

If successful, a teacher will move to the Upper Pay Range from the previous 1 September and will be placed on the bottom of the range.

If unsuccessful, feedback will be provided by the head teacher as soon as possible and at least within 5 working days of the decision.

This will include the right of appeal against this pay decision under the appeal arrangements (Appendix 3).

19. The Teachers Main Pay Range

Other qualified teachers will be paid on the main pay range and must be paid such salary within the minimum and maximum of the main pay range set out below:

Maximum M6*	£27,216

***determined by STPCD 2018**

21. Unqualified Teacher Allowance

The governing body may pay an additional allowance to unqualified teachers when the governing body considers that the teacher has:

- taken on a sustained additional responsibility which:
 - is focused on teaching and learning and;
 - requires the exercise of a teachers' professional skills and judgement or
- qualifications or experience which bring added value to the role being undertaken.

Unqualified teachers may not hold TLR's or SEN allowances.

22. Part-time Teachers

Teachers employed on an ongoing basis at the school but who work less than a full working day or week are deemed to be part-time. The governing body will give them a written statement detailing their working time obligations and the mechanism used to determine their pay, subject to the provisions of the statutory pay and working time arrangements and by comparison with the school's timetabled teaching week for a full time teacher in an equivalent post

Please refer to Part 6 Paragraphs 40 and 41 of the STP&CD.

23. Supply Teachers

Teachers who work on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro-rata.

24. Allowances and Payments

Special Education Needs Allowance

A SEN allowance of no less than £2,149 - and no more than £4,242 - per annum is payable to a classroom teacher if that teacher: is in any SEN post that requires a mandatory SEN qualification, refer to P21.2 Part 4 STPCD or any Teacher who has extensive experience of Special Educational Needs through employment within a Special School refer to P21.2 Part 4 STPCD.

25. Recruitment and Retention

The governing body does not normally pay recruitment and retention awards.

Should the need arise in the next academic year the governing body should make clear at the outset the expected duration of any incentive and benefits and the review date after which they may be withdrawn.

The governing body will conduct annual review of all incentives, support or benefits annually.

26. Teaching and Learning Responsibility Payments (TLRs)

TLRs will be awarded to the holders of the posts indicated in the attached staffing structure.

The values of the TLRs to be awarded are set out below: (more information is provided in the notes section).

TLR1s will be awarded to the following values:

- £7,853 to the holder of TLR1 posts.
- £13,288 to the holder of TLR1 posts.

- £2,721 to the holder of TLR2 posts.
- £6,646 to the holder of TLR2 posts

TLR3s will be awarded to the following values:

- £540 to the holder of TLR3 posts.
- £2,683 to the holder of TLR3 posts.

27. Additional Payments

The circumstances in which additional payments may be made to teachers are set out in Part 4 of the School Teachers' Pay and Conditions Document STP&CD

The STP&CD does not provide for the payment of "honoraria" to teachers in any circumstances

Governors are permitted to make additional payments to all teaching staff (including the Leadership Group) in respect of continuing professional development and activities and out of school hours learning undertaken other than on any of the 195 days of the normal working year (i.e. at weekends and during school closure periods).

Activities that will attract payment include; school directed sporting activities, outdoor activities and clubs, holiday clubs.

Governors accept that the absence from the normal duties of a Teacher undertaking training will cause disturbance to the pupils' education. They have therefore authorised the payment of a special allowance where, in the opinion of the Head teacher, essential training can be received outside of the normal year and it is in the interests of the school for it to be received then. All such payments must be contained within the in-service training budget.

The allowance will be calculated as follows:

Option A: a daily rate for each **full-time** Teacher calculated as 1/195 of his/her actual salary (or of the full-time equivalent salary for part-time staff).

Option B a daily rate of 1/195 of Point **[to be determined by the Governors]** on the Classroom Teachers' Scale, irrespective of the actual salary point of the Teacher concerned.

Payments for part days will be based on the hours involved; a full day being deemed to be 6½ hours.

The basis of these payments will be reviewed annually.

In all cases, the Teacher's participation in training outside of the normal year is voluntary.

28. Residential duties

Queen's Croft High School is a non residential school therefore residential duties does not apply.

29. Support Staff

The Framework of Support Staff Profiles and the County Council's Green Book Pay and Grading Structure form part of the Whole School Pay Policy.

All support staff will be appointed to a profile within the Framework of Support Staff Profiles.

The Pay and Grading Structure reflects a points-to-pay relationship; the points attached to each post within the Framework determine the salary that will be paid.

The Pay and Grading Structure has grades with incremental points within it. New employees will start at the bottom of the grade. The penultimate point is a Contribution Based Point.

The staffing structure is normally reviewed annually. When this review covers the support staff staffing structure the Governing Body (through an appropriate Committee) will use the Framework of Support Staff Profiles to determine the positions within the support staff structure and the pay grade applicable to the post.

When a position is not covered by the Framework, a job description and person specification schools should take advice from their HR provider and could submit such to Strategic HR, SCC to ensure that duties and responsibilities are evaluated and an appropriate grade attached.

30. Pay Progression for Support Staff

In April of each year employees will automatically move to the next incremental point plus any standard of living increase.

When the employee is due to move to the final incremental point within the grade it will not be an automatic progression. It will be dependent upon their satisfactory performance which will be identified within their Performance Management Review (PMR) or the Abbreviated Performance Management Process.

31. Acting-Up Allowances

Governors reserve the right to pay any member of staff additional salary where he/she covers in the prolonged absence of a more senior colleague.

32. Salary Sacrifice Arrangements/childcare Vouchers

The Governing Body will offer salary sacrifice arrangements to allow staff to participate in voluntary schemes such as the childcare voucher scheme and the cycle scheme adopted by the County Council.

Salary sacrifice arrangements can be subject to change at any time dependent on HMRC regulations.

33. Cover Arrangements

Teachers should be required to cover only rarely, and only in circumstances that are not foreseeable. This does not apply to teachers who are employed wholly or mainly for the purpose of providing such cover.

34. Regrading Process and Appeal Process – Support Staff

There is a regrading policy which outlines the regrading process and appeal mechanism for support staff.

35. Appeals - Teachers

The arrangements for considering appeals are as follows:

An employee may seek a review of any determination in relation to his/her pay or any other decision taken by the governing body (or a committee or individual acting with delegated authority) that affects his/her pay.

The following list includes the usual reasons for seeking a review of pay, i.e. that the person or committee by whom the decision was made:

- a) incorrectly applied any provision of the relevant conditions of service;
- b) failed to have proper regard for statutory guidance;
- c) failed to take proper account of relevant evidence;
- d) took account of irrelevant or inaccurate evidence;
- e) was biased; or
- f) otherwise unlawfully discriminated against the employee.

36. Procedure for Considering Appeals Relating to Salary

The order of proceedings is as follows:

1. The employee receives written confirmation of the pay determination and where applicable the basis on which the decision was made.
2. If the employee is not satisfied, he/she should seek to resolve this by discussing the matter informally with the headteacher making the recommendation to the Pay Committee within ten working days of the decision. Where this is not possible or where the employee continues to be dissatisfied, he/she may follow a formal appeal process.
3. The employee should set down in writing the grounds for questioning the pay decision and send it to the chair of the appeal committee who was not involved in the original determination normally within 10 working days of receiving the outcome of the informal discussion with the headteacher.
4. Any appeal should be heard by a panel of three governors who were not involved in the original determination. The teacher will be given the opportunity to make representations in person. The decision of the appeal panel will be

given in writing, and where the appeal is rejected will include a note of the evidence considered and the reasons for the decision.
