### Achievement Assembly

We will be holding a celebration assembly in school on Friday 14th February for all of our pupils. We want to celebrate academic achievement but also anything amazing that our pupils have done outside of school. These could be sporting achievements, musical achievements or just about anything that they're proud of! So please send pupils in with any medals, trophies, certificates etc... and we can give them the recognition they deserve!

**Mr Capewell, Head of KS4**

### Eco Schools

Please bring your used batteries of any style to Mr Stubbs in the workshop and we will ensure that they go to the correct recycling place rather than landfill. This is part of our eco schools project as well and class 9G will ensure that they are properly disposed of. Your class recycling is not the place for batteries.

**Mr Stubbs,  
D&T Teacher**

### Weekly Word Workout

Good luck with this week's Weekly Word Workout!

## Maths

Post 16 group 3 have been working on their times tables and using them in a practical way. As part of this we have been adapting recipes depending on how many people are being served. We used a recipe for a single serving of chocolate mug cake. To work out how much of each ingredient we needed to serve 2 people we multiplied by 2. We also worked out how much of each ingredient is needed if we were making it for 3 people by multiplying by 3. At the end of the lesson we tried out our recipes...they were a success! Here is the recipe for you to try yourself:

### Chocolate mug cake (1 serving)

1 tbsp cocoa powder

3 tbsp flour

2 tsp milk

2 tbsp sugar

Mix all ingredients together

Pour into a mug

Microwave for 30-40 seconds

*Mrs Dawes, Class Teacher*

## All-Day Breakfast

All Day Breakfast will be served for school dinner on Tuesday 11th February 2020 for one day only.
