Introduction

Greywood Multi-Schools Trust (GMST) is committed to maintaining the confidentiality of its information and ensuring that all records within the Trust can only be accessed by individuals with appropriate authority. In line with the requirements of the General Data Protection Regulation (GDPR), the Trust also has a responsibility to ensure that all records are only kept for as long as is necessary to fulfil the purpose(s) for which they were originally intended. This policy outlines how records are stored, accessed, monitored, retained and disposed of, in order to meet statutory requirements. This document complies with the requirements set out in the GDPR (operational from 25 May 2018).

This policy should be read in conjunction with the Trust's Data Protection (GDPR) Policy.

The retention periods outlined in this policy are good practice guidelines only. In consultation with the Trust, individual schools should ensure that they consider requirements specific to their own setting. The tables for retention periods are based on information provided by the Information Records Management Society (IRMS) and are not an exhaustive list of records that may be kept by schools.

Legal framework

This policy has due regard to legislation including, but not limited to:

- the General Data Protection Regulation (2016);
- the Freedom of Information Act 2000; and
- the Limitation Act 1980 (as amended by the Limitation Amendment Act 1980).

The policy also has due regard to the IRMS 'Information Management Toolkit for Schools' 2016.

Responsibilities

The Trust Board holds overall responsibility for this policy. The Headteachers and Governing Body of each school are responsible for managing records in line with statutory requirements and this policy. The Trust's Data Protection Officer (DPO) is responsible for promoting compliance with this policy and informing its review on an annual basis, in conjunction with the Trust's Audit and Finance Committee.

- The Data Protection Lead (DPL) at each school is responsible for ensuring that all records are stored securely, in accordance with the retention periods outlined in this policy, and for ensuring that records are disposed of correctly.
- All colleagues are responsible for supporting the DPL in ensuring that any records for which they are responsible are accurate, maintained securely and disposed of correctly, in line with the provisions of this policy.

Management of pupil records

Pupil records are specific documents that are used throughout a pupil's time in the education system. They are passed on to each school that a pupil attends and include all personal information relating to them, including date of birth, home address and achievement data.

The following information is easily accessible from a pupil's record:

- Forename, surname, gender and date of birth;
- Unique Pupil Number (UPN);
- date when the file was opened;
- date when the file was closed, as appropriate;
- ethnic origin, religion and first language (where this is not English);
- preferred name(s) (as appropriate);
- position in the family (e.g. eldest sibling);
- emergency contact details and name pupil's doctor;
- any allergies or other medical conditions that are important to be aware of;
- names of parents, and home address(es) and telephone number(s);
- name of the school, admission number, date of admission and date of leaving, as appropriate; and
- involvement of specialist external agencies (e.g. speech and language therapist).

Pupil files also include:

- admissions form;
- details of any Special Educational Needs and Disabilities (SEND);
- (where a pupil has attended an early years setting) the record of transfer;
- Fair Processing Notice [only the most recent notice will be included];
- annual written reports to parents;
- notes relating to major incidents and accidents involving the pupil;
- any information relating to an Education and Healthcare (EHC) Plan and;
- any notes indicating that Child Protection disclosures and reports are held;
- any information relating to exclusions;
- any correspondence with parents or external agencies relating to major issues (e.g. mental health); and
- notes indicating that records of complaints made by parents, or the pupil, are held.

The following information is subject to shorter retention periods and, therefore, will be stored separately in a personal file for the pupil in an appropriate secure location:

- absence notes;
- parental and, as appropriate, pupil consent forms for educational visits, photographs and videos, etc.; and
- correspondence with parents about minor issues, e.g. minor disciplinary infringements.
 - Hard copies of disclosures and reports relating to Child Protection are stored in a securely locked filing cabinet in a securely locked room – a note indicating that such records are held is made in the pupil's main personal file.
 - Hard copies of complaints made by parents, or pupils, are stored in a file, in an appropriately secure location – a note indicating this is marked in the pupil's file.

Copies of accident and incident information are stored separately on each individual school's management information system and are held in line with the retention periods outlined in this policy – a note indicating this is

marked on the pupil's file. In the event of a major accident or incident, an additional copy may be placed in the pupil's file

Each school ensures that no pupil records are altered, or amended, before transfer to the next school that the pupil will attend. The only exception to this is where any records placed on the pupil's file have a shorter retention period and may need to be removed. In such cases, a named individual will be responsible for the disposal of records and will remove these records. Where they are held, electronic records are also transferred to the pupil's next school.

Wherever possible, schools avoid sending pupil records by post. Where a pupil record must be sent by post, it is sent using the 'special delivery' service, with an accompanying list of the files included. The school/agency to whom the file is sent is required to sign a copy of the list and return this to the school, indicating that the files have been received. A 'postage paid' self-addressed return envelope is provided for this purpose.

Retention of pupil records and other pupil-related information

The tables below outline the Trust's retention periods for individual pupil records, together with the action that will be taken after the retention period, in line with any requirements. Electronic files and electronic copies of any other information are also destroyed, in line with the retention periods below.

The following tables outline the retention schedule for –
