Thursday 10th December 2020

Dear Parents and Carers,

You will have seen in the media that the Government is now recommending schools use Friday 18th December as an Inset day, to reduce the risk of the virus spreading during the Christmas festivities.

We will now be using Friday 18th December as one of the school's five Inset days this year.

Students should not attend school on Friday 18th December 2020.

This Inset day will replace the one that is scheduled for Monday 7th June 2021. The information on our school website will be adjusted accordingly.

Staff are organising lots of different Christmas activities in school for our separate bubbles, but we are really missing the opportunity to gather all together. However, we will make sure that all of our students have an opportunity to join in Christmas activities in one way or another.

Your sincerely

Debbie Bailey
Headteacher
