Monday 29th November 2021

Dear Parents and Carers,

Covid Procedures Update following the Prime Minister's Announcement (Omicron Variant)

Many of you will have seen the Prime Minister's announcement over the weekend. This is a fast moving situation, but today we are reinforcing some of our Covid protocols to reduce the risk of the virus spreading on the school site.

1. Face coverings are required for all communal areas, including on school transport and in the school carpark.
 - Please make sure that your child brings a face covering to school (unless they are exempt.)
 - If you are visiting the school site for any reason, you will be expected to wear a face covering (this includes collecting your child from school.)
2. Key stage bubbles will be reinforced with new signage around school. Staff and students will be expected to remain within their allocated bubble throughout the day.
3. Reminder to everyone to continue using Lateral Flow Tests at least twice a week and to take advantage of the vaccinations (and booster) when available.

Please do remember to let us know if anyone in your household tests positive.

We will keep you updated with any further developments.

Yours sincerely

Debbie Bailey
